

Kent Water Refill Station

KENT WATER REFILL STATION KWRS-1370

The Kent Water Refill Station is a stainless steel water dispenser and is available in Marine Grade 316L Stainless Steel.

As an optional extra, our refill station can also come with a drinking fountain bubbler tap & basin. The stainless steel has a bright peened finish, however, multiple finishes are available.

The water refill station is bolted down below paving level.

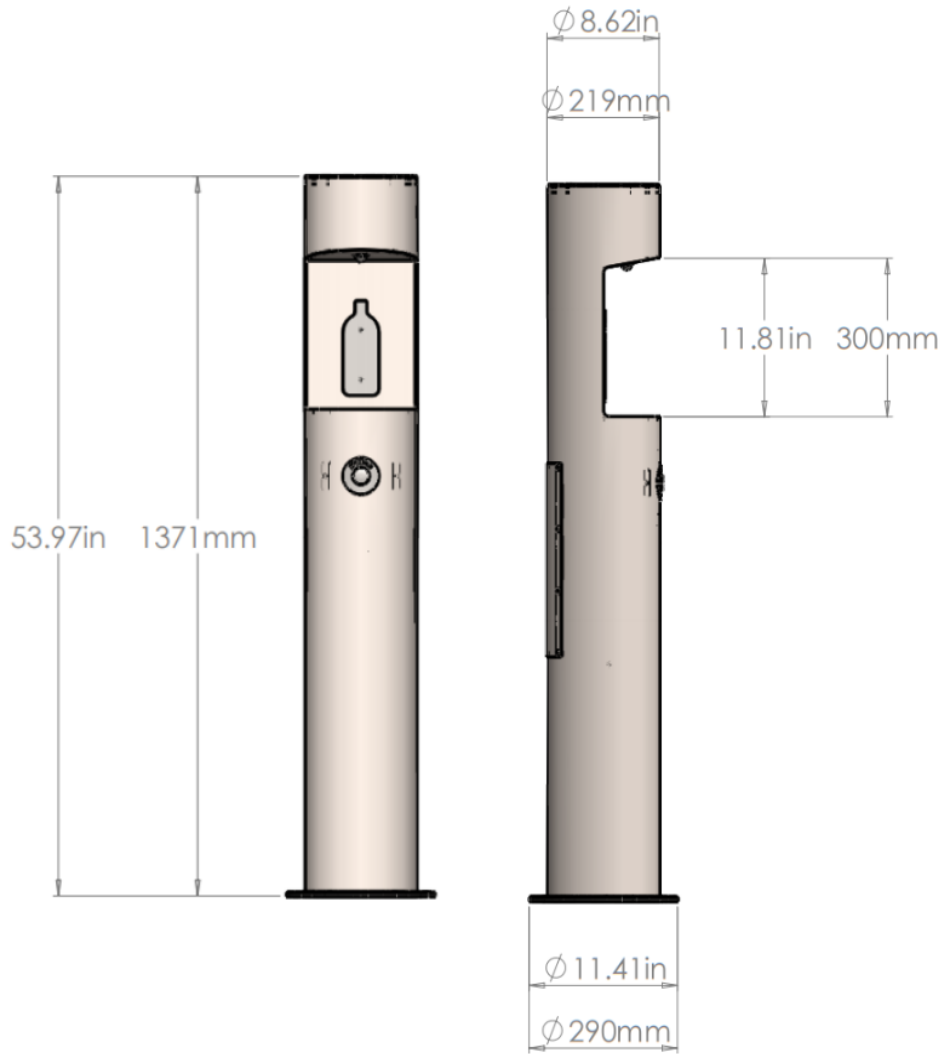

Features:

- Marine Grade 316L Stainless Steel
- Bright peened finish
- Push button valve
- Drinking fountain & basin

**Optional Extra: Drinking fountain
bubbler tap & basin**
